Action Taken Report on Feedback Analysis

Academic Year 2022-23

S. No.	Feedback	Action Taken
1.	<i>Students Feedback:</i> a. It was suggested to include courses outside the curriculum which enhances their technical skills. b. Better Wi-fi speed and facility.	1. Value added courses such as Internet of Things (IoT) and Robotics were included. 2. Workshops on Digital Image Processing using AI & ML were conducted 3. Wi-Fi speed has been upgraded to 100Mbps
2.	<i>Faculty Feedback:</i> Majority of the teachers are satisfied with the curriculum. Research and collaboration with industry should be enhanced.	Students are motivated and guided to participate in Conferences, Project Presentation and webinars on recent trends in Electronics field, which motivates students towards Research.
3.	<i>Employers Feedback:</i> Current industry topics like Machine Learning, AI, Industry 4.0, IoT, Cyber Security could be implemented more which help the students in the industry.	1. More soft skill and personal grooming sessions were included. 2. More focus on practical teaching is given, which included hands on lab experiments, mini projects and case study-based learning. 3. Industry visits and more practical based projects and applications are incorporated in the curriculum.
4.	<i>Alumni Feedback:</i> Majority of the alumni expressed their satisfaction with the college. They were satisfied with the efforts taken by the college to connect with its Alumni but wanted more such interactions to take place.	Every year ALUMNI meet is held and efforts are been made to reach out our Institution students and get the suggestions for Overall development of the Institution.
5.	<i>Parents Feedback:</i> Majority of the parents were satisfied with infrastructure, learning and environment in the college. A few suggested improvements in facilities and placement drives.	Aptitude and Technical Training classes are conducted by Placement cell to enhance the overall development of our students and make them fit for the requirements of the company.
